**MEMORANDUM**

**TO:** All Land Surveyor Applicants

**FROM:** Tennessee Board of Examiners for Land Surveyors

**DATE:** November 1, 2001

**RE:** Law Changes Regarding Licensure

This is to inform you that, effective July 1, 2003, the law governing the licensing of land surveyors in Tennessee will change.

If you have not passed all portions of the land surveyor's examination by that date, regardless of when you originally applied for licensure, you will have to reapply for licensure under TCA 62-18-109(b)(1), (A), (B), (C), (iii), (iv), (2), and (c). Unless you meet the requirements of one of these sections, you will not qualify for licensure as a land surveyor in Tennessee.
